The Bohart Museum and The Bohart Museum Society are dedicated to teaching, research and public service.

Our current growth is financed by memberships and your contributions.

Our Mission

Your support enables us to fulfill our mission of documenting and supporting research in biodiversity, educating and inspiring others about insects, and providing state-of-the-art information to the community.

Join Us!

Membership and Donor Program

Bohart Museum Society

Join Us Today! Enjoy an entire year of gift shop discounts, exclusive events and quarterly newsletters

Membership in the Bohart Museum Society makes it possible for us to continue programs that are unique in the United States. We are the only museum in the U.S. that combines university and public education, research, diagnostic and information services.

Museum Programs

Your membership and donations directly support these activities:

- Educational Outreach Programs
- Visiting Scientist Program
- Student Internships
- Library Internships
- Public Displays & Exhibits
- Insect Zoo

Gifts for the Future

Naming the museum in your will or trust will ensure that our research and education programs will continue for future generations and may even provide you with tax-savings. Talk to your tax advisor for more information on including the Bohart Museum Society in your estate plan or making a gift that returns income for life.

Donor Circles

You're invited to join one of our elite Donor Circles beginning at \$1000 and receive additional benefits, including invitation to exclusive events. All Donor Circle members receive a special gift.

Expedition donors directly support museum collecting expeditions and research, helping to expand our collections and further ongoing research in the museum.

Education Partners

Education partner donors support outreach education programs, traveling exhibits and displays. Every year thousands of students learn about insects through museum tours and loans of traveling exhibits and live insects to teachers.

Exhibit Sponsors

Exhibit donations go directly to support museum exhibits. Sponsors are acknowledged within the exhibit and exhibits are rotated yearly.

Adopt an Insect

Become a zoo parent! Our insect zoo has a variety of insect and spider stars. Your annual donation will help support our living collections.

Membership Category (check one):

- Individual Member: \$25
- Student: \$15 for one student; \$25 for student family
